SACRAMENTO REGION

Blueprint

TRANSPORTATION + LAND USE STUDY

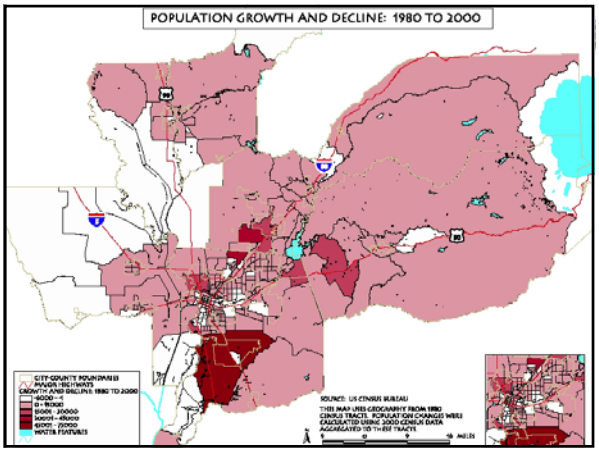
Sacramento Midtown/Downtown Neighborhood Workshop

Blueprint Project

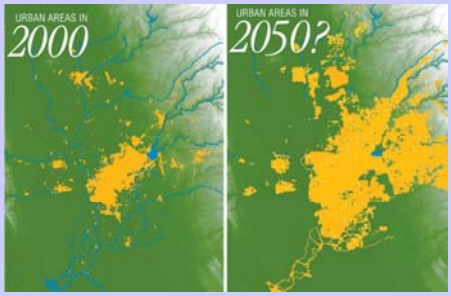
- Regional land use-transportation options for next 50 years
- Neighborhood workshops provide "reality check"—we want your opinions!
- Results will influence county-wide options. Sacramento County Workshops:
  - November 15
  - November 22
  - January 10
- Results will also influence regional options
  - Regional conference: April 30, 2004

What You will do Today

- Create one or two planning options
  - test drive "smart growth" concepts, tell us what you like and don't like
- Use maps, menus, stickers and computer software
- Three planning areas
  - Rail Yard
  - Midtown C Street
  - Riverfront



How would the region change if the Base Case Future became reality?



Need to plan both the regional and neighborhood levels
