## Final Guidelines

- Create one or two scenarios
  - Test drive “smart growth” concepts
  - Change/refine as you wish (or make second scenario)
- Think long-term
- We’re creating concepts today
  - OK to consider changes to existing use
  - Further analysis will help determine feasibility

## Final Guidelines (cont.)

- Give us your opinions ... but respect the opinions of others
- SACOG staff will guide discussion, run computers ... not technical specialists
- Technical resources available in room
- Have fun!
