Blueprint

TRANSPORTATION / LAND USE STUDY

**West Sacramento
Neighborhood Workshop**

Blueprint Project

- Regional land use-transportation options for next 50 years
- Neighborhood workshops provide “reality check”—we want your opinions!
- Results will influence county-wide options (public workshops this summer)
- Results will also influence regional options
 - Regional conference: November 7, 2003
 - Region workshops (winter, '03 – '04)
 - Electronic town hall

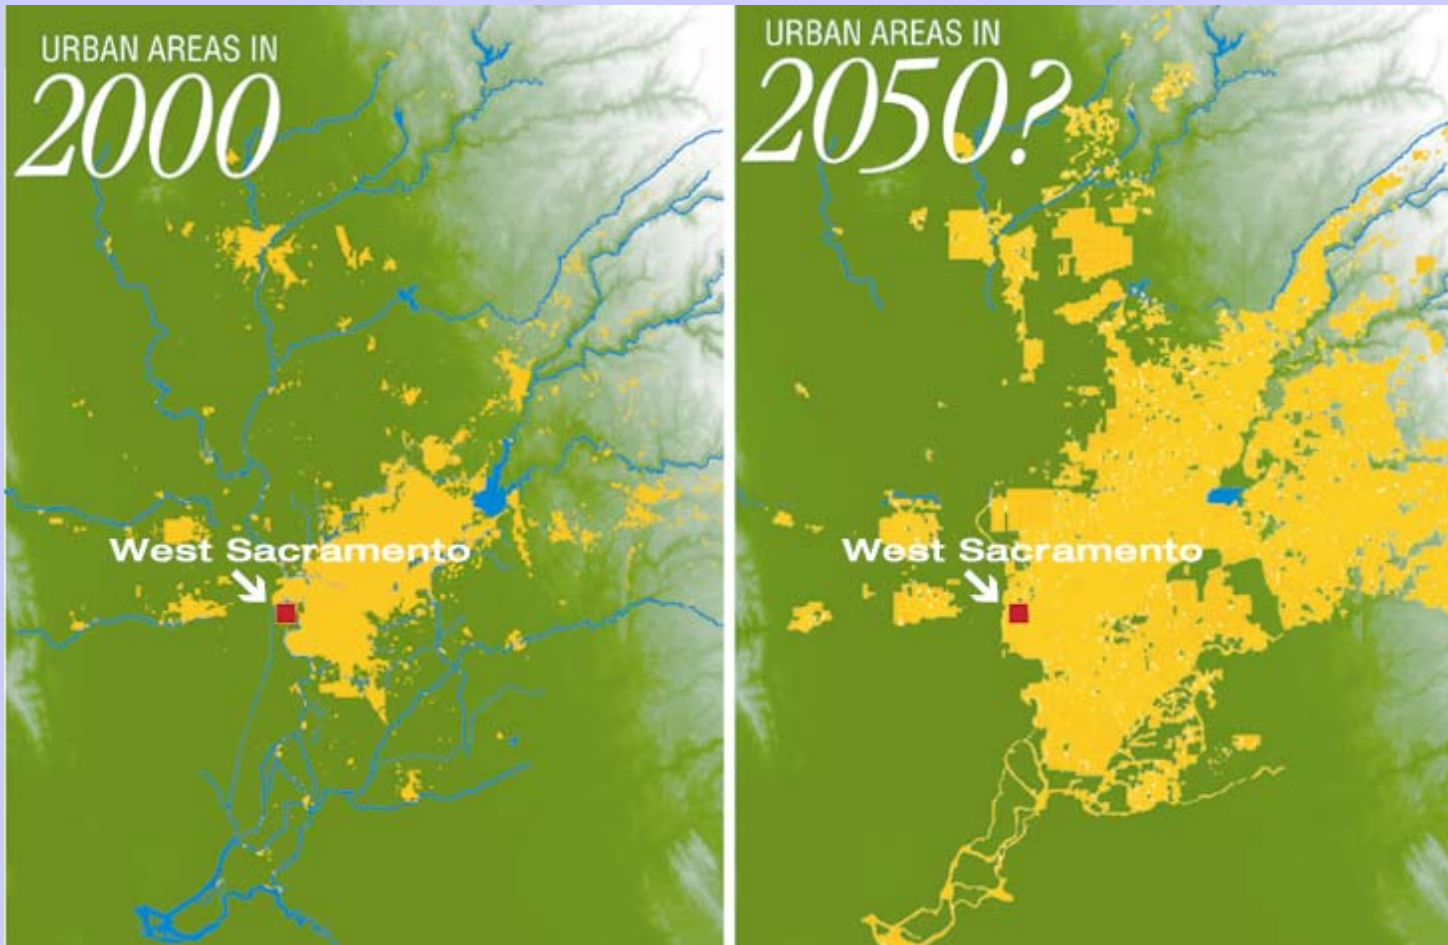

What You will do Tonight

- Be regularly updated on progress of the Kings' victory
- Two study areas
 - CBD
 - Future phase of Bridgeway Lakes
- Create one or two planning options
 - test drive “smart growth” concepts, tell us what you like and don't like
- Use maps, menus, stickers and computer software

How would the region change if the Base Case Future became reality?

Need to plan both the regional and neighborhood levels
