

City of Winters Neighborhood Workshop

Blueprint Project

- Regional land use-transportation options for next 50 years
- Neighborhood workshops provide “reality check”— we want your opinions!
- Results will influence county-wide options (public workshops this fall/winter – Yolo Co. Oct. 27th)
- Results will also influence regional options
 - Regional conference: April 30, 2004
 - Region workshops (winter, 2004)
 - Electronic town hall

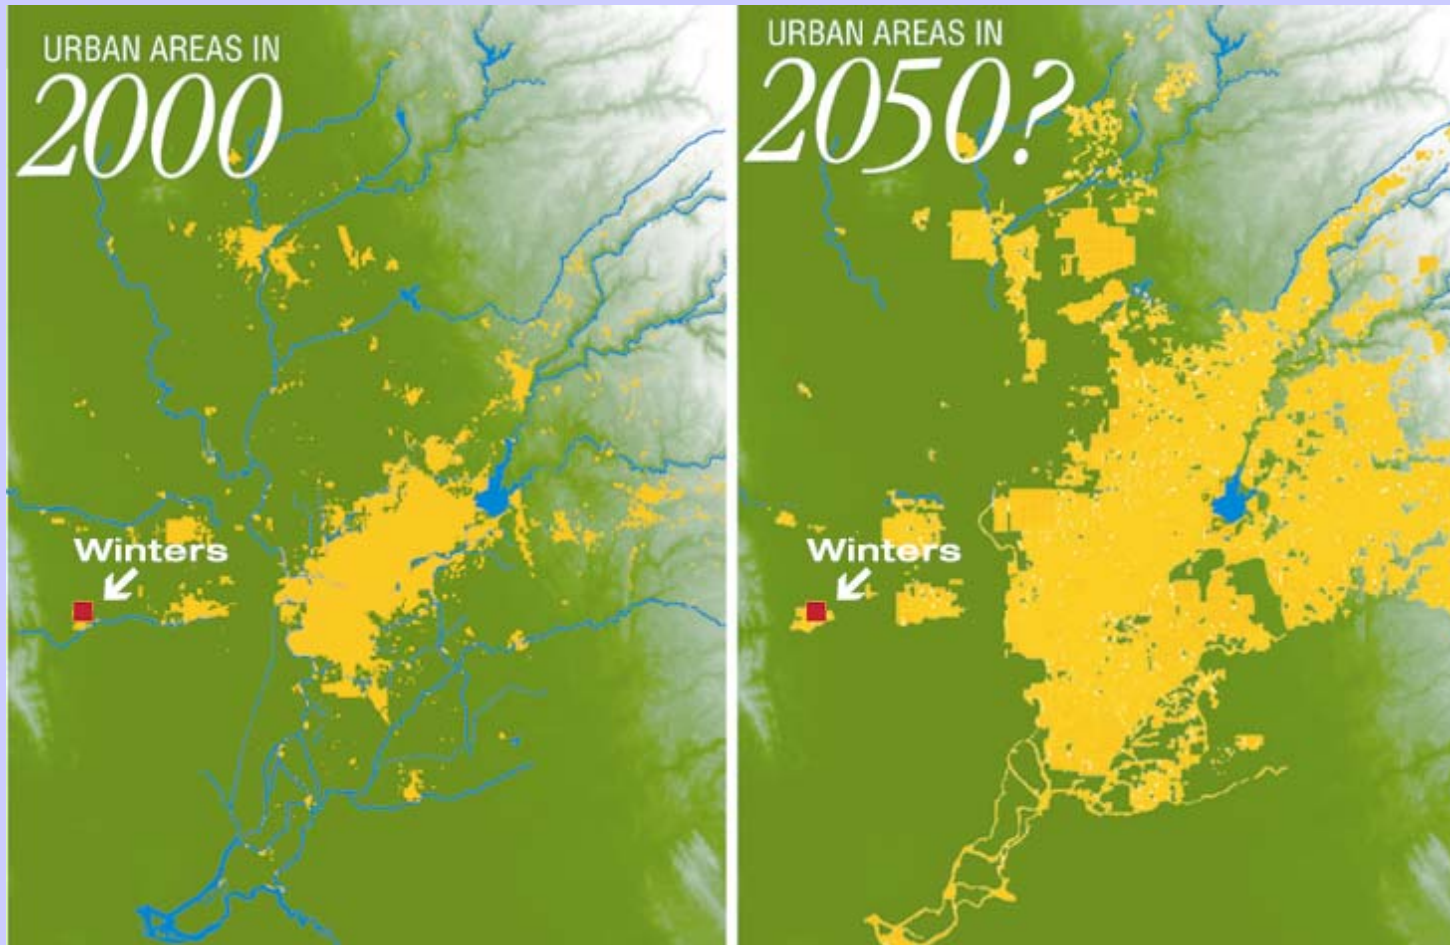

What You will do Tonight

- Create one or two planning options
 - test drive “smart growth” concepts, tell us what you like and don’t like
- Use maps, menus, stickers and computer software

Regional Growth

Need to plan both the regional and neighborhood levels
