# WHAT WE DO

The Sacramento Area Council of Governments (SACOG) is an association of Sacramento Valley governments formed from the six regional counties—El Dorado, Placer, Sacramento, Sutter, Yolo and Yuba—and 22 member cities. SACOG's directors are chosen from the elected boards of its member governments. SACOG's primary charge is to provide regional transportation planning and funding, as well as a forum for the study and resolution of regional issues. In this role, SACOG prepares the region's long-range transportation plan; approves distribution of affordable housing around the region; keeps a regionwide database for its own and local agency use; helps counties and cities use federal transportation funds in a timely way; assists in planning for transit, bicycle networks, clean air and airport land uses; and has undertaken the Blueprint Project to link transportation and land development more closely. SACOG has an annual operating budget of about \$12.8 million, funded from local, regional, state and federal transportation funds. It has a staff of about 50, including employees and consultants.
