Grant Program	Nature of Grant Program	Next competitive round	SACOG staff contact (For TA, coordination, etc.)	More Information
Transportation Demand Management Mini-Grants	Funds/supports funding of small events and non-infrastructure programs or projects to reduce single occupancy vehicle trips and miles by encouraging biking, walking, riding transit, carpooling, vanpooling and teleworking as options for reducing car trips. Projects that focus on testing a new strategy or tactic for changing travel behavior will be prioritized.	Call for projects June 25, 2018 to June 30, 2019; applications accepted on a rolling basis, while funds are available.	Adrienne Moretz	https://www.sacog.org/post/tdm-mini-grant-program-phase-ii-applications-now-live
People for Bikes	Supports bicycle infrastructure projects and targeted advocacy initiatives that make it easier and safer for people of all ages and abilities to ride.	Online Letter of Interest due January 18, 2019; applications due April 5, 2019	Victoria S. Cacciatore	http://www.peopleforbikes.org/pages/grant-guidelines
FRAQMD Mini Grant Program	Fund projects that provide an air quality benefit in Yuba and Sutter counties by reducing emissions generated by registered vehicles, with a relatively low cost and quick turnaround; includes May Is Bike Month energizer station incentives, purchase of flags to initiate the School Flag Program, publicly accessible bicycle racks, and "Kickstarter" grants for larger bicycle and pedestrian projects. Available for projects in Yuba and Sutter counties.	Applications accepted starting in January 2019	Victoria S. Cacciatore	http://www.fraqmd.org/mini-grant-program
Office of Traffic Safety--Bicycle and Pedestrian Safety Grants	Increases safety awareness among pedestrians, bicyclists and motorists through various approaches including education, enforcement and engineering. Priorities for the bike/ped grants include School and Community Ped/Bike Safety, Pedestrian Programs, and Walking & Bicycle Assessments	applications due January 30, 2019	Coordinate directly with Caltrans staff: Jim Owens and Nancy Wolf	https://www.ots.ca.gov/grants/gems/
Doppelt Family Trail Development Fund	Funds advancing trail development, helping establish corridor connections, or improving current conditions on the trail. A total of \$105,000 is available in grants ranging from \$5-10K (Community Support) to \$15-50K (Project Transformation).	Applications due January 31, 2019	Coordinate directly with Rails-to-Trails Conservancy staff	https://www.railstotrails.org/our-work/doppelt-family-trail-development-fund/application-instructions/?utm_campaign=doppelt&utm_medium=email&utm_source=120118_message
Urban Greening Grant Program	Fund urban greening projects that will reduce GHG emissions and provide multiple additional benefits, including, but not limited to, a decrease in air and water pollution or a reduction in the consumption of natural resources and energy. \$19.0M available for projects that sequester carbon and/or reduce vehicle miles traveled (e.g., commuter paths, tree plantings, parks).	Concept proposals accepted January 8, 2019 through February 28, 2019; invitation to compete in Spring	Victoria S. Cacciatore	http://resources.ca.gov/grants/urban-greening/
Urban Green Infrastructure	Funds green infrastructure projects (e.g., green streets, tree planting, parks, commuter trails, etc.). Competitive to local, nonprofit, nongovernmental land conservation entities, federally recognized Native American tribes, or non-federally recognized California Native American tribes listed on the California Tribal Consultation List.	Anticipate release of draft guidelines and meetings for public comments early 2019.	Coordinate directly with CA Natural Resources Staff	http://resources.ca.gov/grants/
Trails & Greenways	Funds nonmotorized infrastructure development and enhancements that promote new or alternate access to parks, waterways, outdoor recreational pursuits, and forested or other natural environments to encourage health-related active transportation and opportunities for Californians to reconnect with nature. \$27.7M available for trail projects.	Anticipate draft guidelines and public hearings May/June 2019	Victoria S. Cacciatore	http://resources.ca.gov/grants/
